

## Summer 2025 Newsletter

### BACK TO SCHOOL

Wishing all our warriors  
an amazing start to a  
new school year!!

If you have a special  
needs/medically fragile child  
who requires specialized  
equipment to be successful at  
school, please reach out.

### Organization Update!

Michael's Warriors has had  
the opportunity to continue  
to help special needs families.  
We have seen an increase in  
requests for adults with  
profound/severe Autism, as  
services tend to decrease as  
the individual ages. If you  
have an adult with special  
needs and need assistance,  
please reach out. We are  
here to support!

### How You Can Help

We do not soliciate donations,  
rather we ask you to please like  
and share our Facebook, Instagram  
and website. We also encourage  
you to pray for our warriors, as we  
know the power of prayer!

We have officially moved to Colorado Springs and are settling into our new home in  
Monument, CO. Michael has been healthy and handling the move the best he can. We are so  
proud of him! Maria starts her final year of nursing school at Grand Caynon University in Vegas  
and leaves a huge void in our home. She is amazing and we miss her!
