

# WHY WE STARTED MICHAEL'S WARRIORS

(A TINY SAMPLE FROM 2024)

## Gratitude

Your family has taken it upon yourselves to sacrifice and help others. You are faithful in action and we appreciate you!

You can't begin to imagine how much this means to me. Your generosity will forever serve as a beacon of hope and support. May God bless you and your family.

Your kindness is a ray of comfort and a reminder from God that he's there, still looking out for my family. I pray for Michael's health, and your family as well.  
Thank you very much.

You have no idea what this means for us. Thank you for working with me and ensuring that Mia's got everything she needs to continue to thrive.  
You're making a difference.

The generous gift of an iPad has helped our daughter get through her tough chemotherapy visits and the long drive to appointments. We appreciate how you always check-in to make sure we are doing OK. God bless your family.

Thank you thank you thank you!!! So much Sorry if this is hard to read, trying to type while bawling (happy tears). Thank you so much for giving my child the best Christmas. I know she will be screaming and spinning with excitement.  
Thank you again from all of us.  
So grateful!

Your donation to help us get a therapy dog for our daughter is nothing short of a miracle. We are now officially on the list!

Thank you so so much!! I am forever grateful for what you did for us and all the others!

## The Warriors

In 2024, we had the honor of assisting 42 Warriors going through complex medical conditions. We hold these families close in prayer daily as they navigate challenging times. Their stories are incredible and we often share on our Facebook and website when given permission by the family. Michael's Warriors is a registered 501(c)(3), self-funded with the generous help of family and friends. Thank you for your continued support!
